Good morning,

When it is necessary for Fort Stockton ISD (FSISD) to close schools, FSISD is committed to making every effort to ensure that students have the opportunity to remain engaged in their learning. In the next few days, our schools will be in contact with parents on how to academically support learning for our students from Early Childhood through 12th Grade. Just a reminder that FSISD will be offering free meals to **all** students ages 18 and younger. We are requesting parents to fill out the form as soon as possible to help FSISD prepare enough food for our students. The form is at <http://bit.ly/FSISDMealCount>.

We will have more information throughout the week and will contact our parents through our school messenger system. We ask if you are not receiving information through our school messenger system that you call the school your children attend and verify if we have the correct contact information.

- Fort Stockton High School (432) 336-4101
- Fort Stockton Middle School (432) 336-4131
- Intermediate School (432) 336-4141
- Apache School (432) 336-4161
- Alamo School (432) 336-4016

Along with you using our district-wide contact system, we will also share our information through the following outlets:

- FSISD Website <https://www.fsisd.net/>
- FSISD Facebook <https://www.facebook.com/fortstocktonisd>
- FSISD Twitter <https://twitter.com/FortStocktonISD>
- FSISD Instagram <https://www.instagram.com/fsisd/>
- Local Media (Fort Stockton Pioneer and KFST Radio)
- Other sources as needed as well, such as student email, apps, YouTube, etc.

Keep in mind many of our teachers will continue to use means of communication in which they have already been using throughout the school year. We are working on Frequently Asked Questions (FAQ) to help address questions and should have the FAQ soon.

Our School Board is committed to doing all we can to support all our students, families, and employees during this time of uncertainty. Our community has always rallied in times of need, and I am glad we are part of our Fort Stockton Community that is strong at supporting each other. FSISD is continually grateful for all the support from our community.

Thank you for your patience, understanding, and flexibility as we work through this situation together as a Fort Stockton family.

Ralph Traynham
Fort Stockton ISD
